

Laboratory Interfaces SIG Teleconference, June 17, 2004

Laboratory Interfaces SIG Teleconference

Date, Time & Location:	June 17, 2004, 4:00-5:00PM EDT; Teleconference			
Attendees:	Center	Attendee		
	Vanderbilt	Sorena Nadaf		
	MSK	John Speakman		
	BAH	Davis Bu		
	NCI	Christo Andonyadis		
	BAH	Scott Finley		
	NCI	Mary Jo Deering		
	Georgetown	Jieping Li		
	BAH	Chalk Dawson		
	University of Minnesota	Don Connely		
	Patient Representative	Deborah Collyar		
	City of Hope	Joyce Niland		
Current Laboratory Systems in Use:	<ul style="list-style-type: none">• MSK: LCS (SunQuest)• Lombardi: SunQuest?• Minnesota: Mysis? (SunQuest?) and specialized surgical path• City of Hope: SunQuest• Vanderbilt: Homegrown, LIS lab system Starchart/Starpanel (??)			
Goals for the SIG:	<ul style="list-style-type: none">• Survey of existing laboratory systems in use• MSK data repository for 30 days• Consider specialized lab systems and surgical path as a longer term goal• Circulate questionnaire to get idea of current laboratory environment that we would have to interface with• Immediate Goal: retrieve laboratory data out of lab systems and into clinical trials system• Ultimate goal: full compatibility with HL7v3<ul style="list-style-type: none">○ Need adapter for older HL7 versions○ NCI working on HL7 SDK to use tools to build HL7v3 messages, scheduled to be completed in the fall○ Navy lab system as test-bed for NCI, using toolkit to convert to v3, store as v3 central repository, load to c3D, scheduled for completion late this year○ HL7v3 lab messaging has been approved○ SIG would like to have HL7v3 presentations• Interface may send information and context for the information• Adverse event interested in importing labs and automatic grading			
Next Meeting:	<ul style="list-style-type: none">• Thursday July 1, 2004; 4:00-5:00 PM			
Action Items:	Name Responsible	Action Item	Date Due	Notes
	John Speakman	Draft of survey	July 1, 2004	
	Sue Dubman	HL7v3 Presentation	July 1, 2004	
	John Speakman	Why MSK chose 30 day window	July 1, 2004	

Laboratory Interfaces SIG Teleconference, June 17, 2004

	John Speakman	Finalize list of system	July 1, 2004
